FLASHBACK INDEX, 1964 through 1970

With an Index of Picture Pages for
Ten Years--beginning in 1961

Compiled by Deane G Carter

This is the second FLASHBACK Index. It is for the years 1964 through 1970, with a supplemental "picture index" from 1961, which accounts for most of the pictures.

The Index for the first 13 volumes of FLASHBACK, 1950 through 1963, is out of print; however, copies may be consulted at the Society's Office or at the Fayetteville Public Library.

This Index is somewhat simplified by omitting the Roman-numeral volume number, and the issue number. Articles, authors, pictures and subjects are indexed by Month, Year and Page.

FLASHBACK was published as follows from 1964-1970:

Volume XIV for 1964 in Jan, Apr, July, and Oct
Volume XV for 1965 in Jan, Apr, July, Oct and Nov
(five issues)
Volume XVI for 1966 in Feb, May, Aug, and Nov
Volume XVII for 1967 in Feb, May, Aug, and Nov
Volume XVIII for 1968 in Feb, May, Aug, and Nov
Volume XIX for 1969 in Feb, May, Aug, and Nov
Volume XX for 1970 in Feb, May, Aug, and Nov

Churches, Schools, Cemeteries, Family Histories, Booklets, the Civil War, University of Arkansas, Pictured Homes, News Items, and Letters from Readers are general subjects which have been detailed in this Index for convenient reference.

Professor W J Lemke edited FLASHBACK from its inception in 1950 until late in 1968; Deane G Carter assisted in a few of the 1968 numbers. Ernie Deane was the editor in 1969; Tom Feathers, in 1970; and Dorris Hendrickson was elected to serve as editor in 1971. Letters, Manuscripts, Old Photographs (or copies) and back numbers of FLASHBACK (unless you keep them) are solicited from the membership.

In addition to FLASHBACK, the Society has published 56 booklets on subjects related to people or events of interest to Washington County. Most of the titles indexed under "Booklets" in this 7-year index are available. Write for prices.

Membership in the Washington County Historical Society is $3.00 per calendar year, and includes a subscription to FLASHBACK. Only an interest in county history is suggested as the basis for joining. Committees of the Society operate "Headquarters House" at 118 East Dickson Street. Our address is Post Office Box 357, Fayetteville, Arkansas 72701.

News Notes: Most issues of FLASHBACK contain brief items or "fillers" or notes concerning events, visitors, books, or bits of history, sometimes important, often of passing interest. Usually too difficult to classify in detail, they are listed here in brief if it appears that the item may have some lasting interest or value. Notes not indexed are probably not significant to county history. More information can be obtained from "Letters from Readers."

Ten Year
Picture Page Index

to FLASHBACK

Note The addition of picture pages to FLASHBACK was made a publication policy by the editor in 1961, with an unusual number of illustrations appearing in the 10-year period, 1961-1970. Therefore, this portion of the Index covers ten years, while the regular index is for the years 1964-1970. Much history is to be found in the pictures provided to the Society for publication.

Since picture pages are not numbered, the index that follows refers to the number of the printed page facing the picture (except for the covers).
